THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABU LAL MARANDI): (a) and (b) As reported by the State Government, a total of 46 Peacocks have died in Murena district of Madhya Pradesh. According to the post-mortem report, the cause of death is stated to be internal hemorrhage due to consumption of bajra seeds treated with insecticides.

(c) and (d) Yes, Sir. The State Government has reported that the peacocks were not poisoned deliberately and there is no evidence of illegal hunting. The peacocks died after consuming insecticide treated bajra seeds that were sown in the agricultural fields. Delay in monsoon prevented the germination of seeds and also the leaching of insecticides into the soil.

Smuggling of Ozone—eating gases

643. SHRI K. RAHMAN KHAN: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether Government's attention has been drawn to a news item which appeared in the Times of India of 18th May, 2000 under caption, "Smuggling of ozone—eating gases worries Government"; if so, the details thereof;

(b) whether smuggling of ozone-eating gases from Nepal, Bangladesh, etc. has been detected; if so, the number of such cases noticed during the last three years and action taken against each; and

(c) what action has been taken to stop this sort of smuggling?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABU LAL MARANDI): (a) and (b) Yes, Sir.
